Speeder Citation Special Slow Down Operation

Albuquerque—Travelers on I-40 in the Albuquerque area will see an increase in law enforcement officers reminding them to slow down. If they are speeding they will meet these patrolmen personally.

On Thursday officers from the State Police, Motor Transportation Police, Albuquerque Police Department and the Bernalillo County Sheriff's office will be issuing speeding tickets to those suffering from the dangerous practice of driving with a lead foot.

The speed enforcement operation will cover both east and westbound traffic lanes and be highly visible especially during rush hour.

Then on Friday officers will be patrolling US 550 between San Ysidro and Bloomfield. Speed related crashes have increased between Cuba and San Ysidro so officers will be issuing tickets to speeders and asking everyone to slow down and drive the speed limit.

Police motorcycles will be the primary vehicle for both of these operations. State Police K-9 units will also be patrolling and assisting with these operations.
