Re: BPOT Academy Requirement Change (Postponed)

Dear Chief/Sheriff/Agency Head:

On June 10, 2009 it was posted that starting with BPOT Class #179, which is scheduled for April 12, 2010, the curriculum report writing requirements were changing and that we were instituting a policy change whereas cadets would be required to complete a Report Writing Course via Central New Mexico Community College (CNM) and would have had to have been completed prior to Cadets entering the Academy.

Effective immediately and until further notice said policy change is postponed. We will continue to work with CNM on the Report Writing Class and hope to implement the program in the near future with the same goal in mind which is to better prepare the cadet to write actual incident/offense and other types of reports once they return to their agency.

Should you have any questions please feel free to call me at 505-827-9264 or e-mail me at edward.garcial@state.nm.us.

Sincerely,

/s/ Ed R. Garcia
