October-Drunk Busters Statistics

Albuquerque – Since its inception in January 2006, the Drunk Busters Hotline at #DWI has made a tremendous impact in the arrest of DWI offenders in New Mexico.

The following statistics were recorded for the month of October 2012:

October:

Incoming calls- 1339

Contacts made- 90

DWI arrests- 16

Year to date totals for 2012:

Incoming calls- 13,667

Contacts made- 1,261

DWI arrests- 256

The New Mexico State Police would like to remind everyone traveling on New Mexico highways to report suspected impaired driving to the **#DWI** Hotline.

Remember: Being impaired and operating a motor vehicle is a deadly combination. If you choose to drive impaired you will be stopped and you will be arrested.
